Dated: 12/08/2025

**C I R C U L A R**

The Government of India is implementing just in time Model called SNA SPARSH for flow of Centrally Sponsored Schemes (CSS) funds. For this the Public Financial Management System (PFMS) has been integrated with the State Treasuries and e-kuber platform of the Reserve Bank of India (RBI).

The Ministry of Finance has raised concern on slow pace of expenditure under CSS onboarded on SNA SPARSH due to delay in issue of mother sanction, assignment of the State share and in forwarding of demand files by States from IFMIS to PFMS.

In view of above, all Heads of Department are hereby directed to take up the matter on priority and remove the bottlenecks, if any, in flow of CSS funds and expedite their implementation. In case of any issues, department are requested to approach Directorate of Accounts and State PFMS Directorate for resolution.

This issues with the approval of Chief Secretary.
